

Pacific Beach
Concerts on the Green

2010 Volunteers

Thank You PB Concerts on the Green Volunteers, you are incredibly community minded.
In this our seventh year we could not be more proud of the efforts and initiative of our dedicated volunteers. The 2010 concert series is planned, organized and completely staffed by volunteers. Needless to say, without these spectacularly talented and giving people there would be no concerts.

We cannot say THANK YOU enough to express our gratitude for your efforts this year, **Thanks again!**
